

SONGA SHIPMANAGEMENT LTD. HEALTH & SAFETY POLICY

Our Health & Safety (H&S) Policy is designed to provide adequate control of the health and safety risks arising from work activities.

We commit to the following: -

- fulfil legal requirements and industry standards
- eliminate hazards and reduce H&S risks
- continual improvement of the H&S management system
- consult and participate with all personnel
- safe handling and use of substances
- strive to be a zero incident company.

Company objectives are established using stakeholders' needs and expectations.

This Policy is determined and fully supported by the Managing Director and the management team.
