

SONGA SHIPMANAGEMENT LTD

QUALITY POLICY

The Managing Director and management team at Songa Shipmanagement Ltd. are committed to achieving the highest standards of ship management and pursuing quality excellence.

We will operate in full compliance with all applicable requirements, relevant legislation, guidelines and standards, incorporating best practice into everything we do.

Company objectives are established using stakeholders' needs and expectations.

We are committed to continuous improvement in all that we do, maintain and update our policies and procedures included in our Quality Management System.

Kenneth David MacLeod
